

JOINT CONVENTION 2025

# Sustainable Energy Resilience: Indonesia's Path to Self Sufficiency

PROPOSAL

Semarang, 1-3 July 2025

# PREFACE

The Joint Convention (JC) is a biennial conference and exhibition hosted by Indonesia's Professional Association namely Ikatan Ahli Fasilitas Produksi Minyak dan Gas Bumi Indonesia (IAFMI), Himpunan Ahli Geofisika Indonesia (HAGI), Ikatan Ahli Geologi Indonesia (IAGI), and Ikatan Ahli Teknik Perminyakan Indonesia (IATMI).

The JC was initiated back in 2003 by HAGI and IAGI every two years, and was later joined by IATMI and IAFMI in 2015. Since 2023, Perhimpunan Ahli Pertambangan Indonesia (PERHAPI) joined as co-host, expanding the circle of influence by bringing more stakeholders from mining industry. Together, these association joint forces to raise awareness of the emerging topics in the landscape of energy, sustainability, and mineral resources through dialogue and discussions with relevant stakeholders.

As a prestigious conference and exhibition event in Indonesia, the event has successfully attracted more than 1,000 visitors and participants to meet and network, as well as presenting opportunity for participants to showcase their research and paper, lessons learned and best practices.

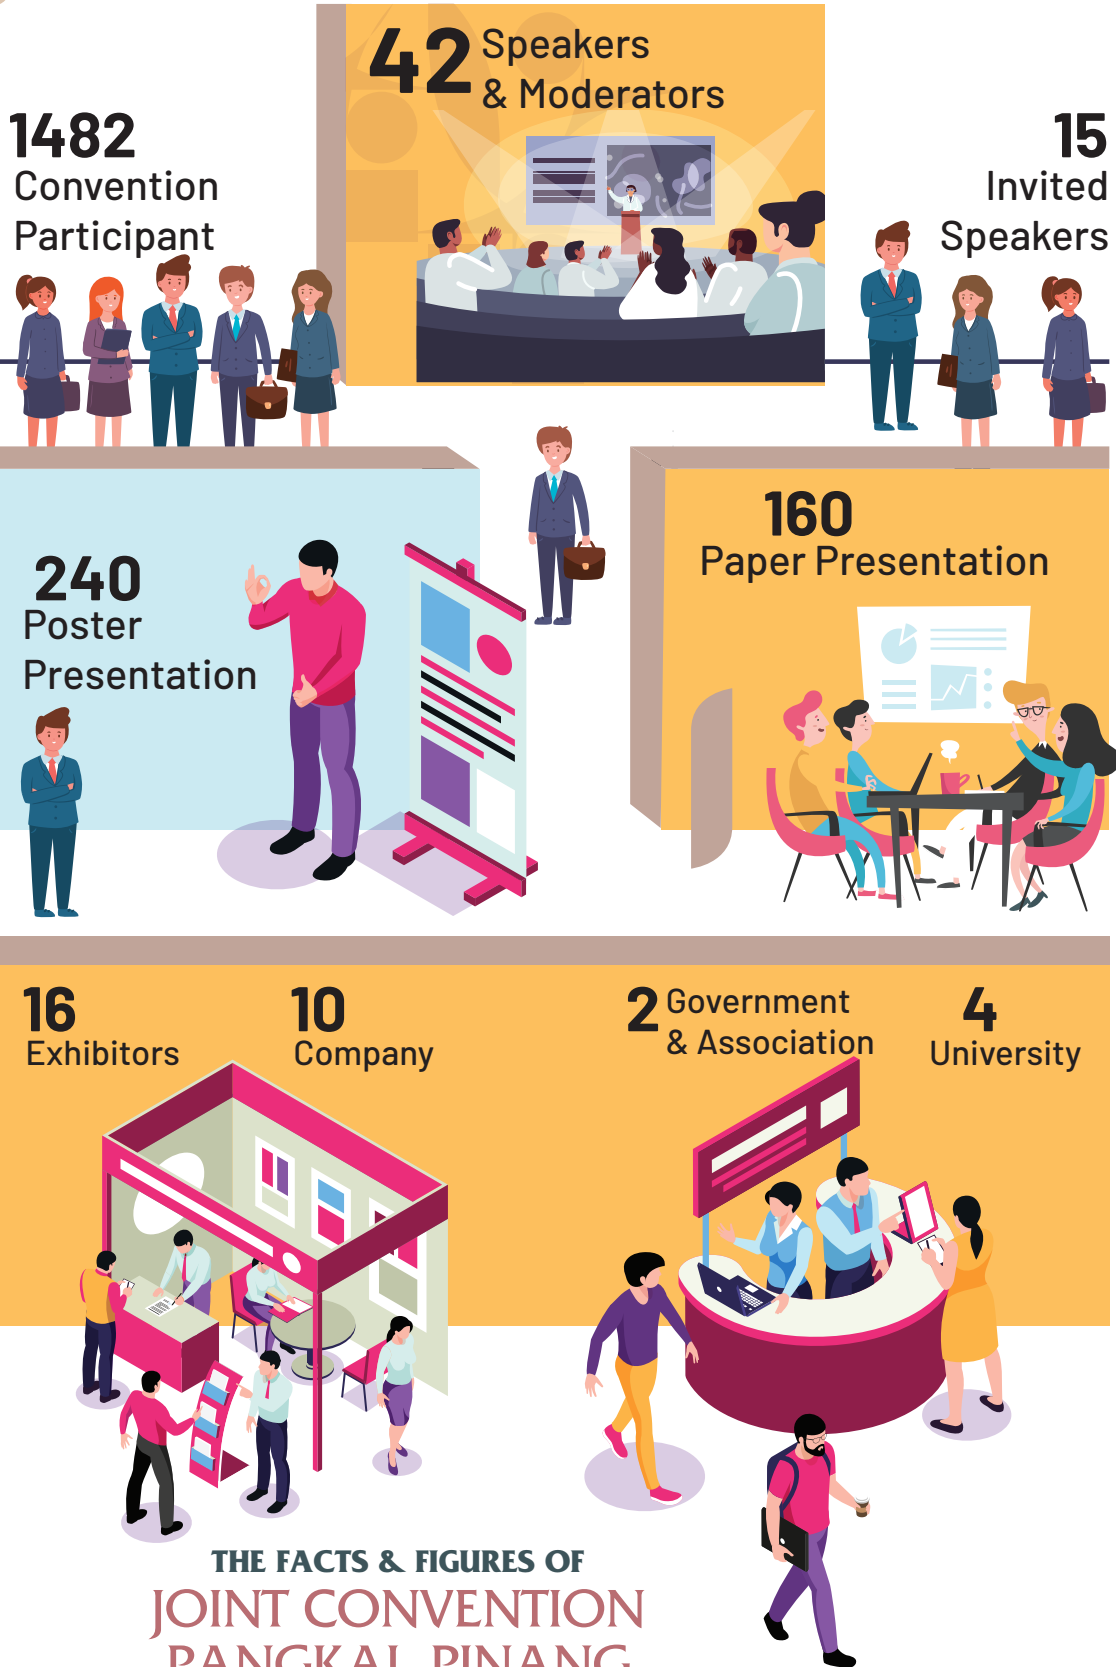

The next Joint Convention will be held on 1-3 July 2025 in Semarang, Central Java with main theme "**Sustainable Energy Resilience: Indonesia's Path to Self Sufficiency**". The theme was chosen to align with Indonesia's Government Development Strategy in 2024-2029, also known as Asta Cita. Each association hold key role in producing and delivering energy in a sustainable way, environment friendly and reliable manner, contributing to the nation's long-term energy security.

## ***Sustainable Energy Resilience: Indonesia's Path to Self Sufficiency***

# JOINT CONVENTION

## FACTS AND FIGURES

# Message From JCS Chairman

**Ir. Gede Pramona**

Dear Colleagues and fellow members of IAFMI, HAGI, IAGI, IATMI and PERHAPI,

As JCS 2025 Chairman, I am delighted to welcome you all the Joint Convention Semarang (JCS) which will be held from 1st to 3rd July 2025. The Convention will focus on the critical theme of **"Sustainable Energy Resilience: Indonesia's Path to Self Sufficiency"**.

This event offers a valuable platform for experts, industry stakeholders, and academics including professionals, executives, educators, and students to come together and engage in in-depth discussions on key challenges related to Indonesia's energy transition and the sustainable management of its natural resources.

This year Joint Convention will bring a fresh format of program and execution delivery, as this year IAFMI annual convex event FFPM will be hold as part of the JCS. We are hoping to see a big turnout of participants as well as exhibitor supporting this event.

Thank you for joining and supporting this event, I am truly excited to engage in discussions and collaborations with all of you.

# Welcome to Joint Convention Semarang !

## **Dr. Ir. Taufik Adityawarman, M.M., PMP, IPU**

*Chairman of IAFMI*

We are pleased to host you in the Joint Convention Semarang 2025, where we will share and discuss our expertise in optimizing energy production. Our mission is to fortify the backbone of Indonesia's energy production infrastructure by fostering collaboration across all sectors of the energy industry.

Join us at the Joint Convention Semarang 2025 for impactful insights and collaborative discussions shaping the future of energy production!

## **Ir. Dedi Yusmen, M.B.A.**

*President of HAGI*

We are delighted to welcome you to the Joint Convention Semarang 2025, a prestigious conference that embodies our collective commitment to strengthening Indonesia's energy resilience. With our expertise in exploring and managing energy resources, we are dedicated to unlocking innovative approaches that drive progress and sustainability.

Join our collaboration in shaping the future of Indonesia's energy landscape!

## **STJ Budi Santoso, S.T., M.Econ.Geol.**

*Chairman of IAGI*

We are honored to welcome you to the Joint Convention Semarang 2025. Through collaboration and innovation, we can unlock Indonesia's energy potential while ensuring environmental stewardship.

Join us to the Joint Convention Semarang 2025, where geological expertise meets energy innovation and technology

## **Ir. Raam Krisna S.T., M.B.A.**

*Chairman of IATMI*

We extend our warmest greetings to you at the Joint Convention Semarang 2025. Under the topics about Sustainable Energy Resilience we are proud to showcase our expertise in the petroleum sector, emphasizing technology and collaboration as cornerstones of progress.

Join us in shaping Indonesia's energy future at Joint Convention Semarang 2025!

## **Ir. Sudirman Widhy Hartono, S.T., M.M., IPU, ASEAN Eng.**

*Chairman of PERHAPI*

Welcome to the Joint Convention Semarang 2025! The coal and mineral mining sector is key to strengthening energy resilience and supporting the growth of renewable energy. This convention offers a platform for collaboration and innovation, driving Indonesia toward a sustainable energy future.

Join us to strengthen Indonesia's energy at Joint Convention Semarang 2025!
